JUST
CAUSE

DO YOU HAVE A PASSION FOR:

**Helping other people?
Learning new things?
Teaching your skills to others?
Designing? Building? Technology?
how about...ROBOTS?!?**

*Join us for a two week STEM focused
volunteer experience in July/August
2016 based in Jinja, Uganda.*

USE YOUR SKILLS TO HELP US TO:

SOLVE PROBLEMS

Help design, build and then install an on-site improvement to one of our school or community projects.

PROVIDE OPPORTUNITY

Facilitate STEM workshops for Ugandan students to introduce them to robotics! Work with primary or secondary students to design, build and program robots in *Africa!*

DOCUMENT THE PROCESS

Use your technology skills, and audio/video equipment to work with primary and secondary students to do more than just take photographs during your visit.

EXPERIENCE ANOTHER CULTURE

Immerse yourself in the local culture and work side by side with local people in small urban and remote rural communities.

REACH OUT WITH YOUR PASSION & SKILLS

Bring home a whole new perspective in STEM education to your school, team, workplace & community!

Open to current gr. 12 students, college or university students, teachers, mentors, retirees – anyone who would like to make a difference and has an interest in STEM!

INTERESTED?

RSVP info@justcausecanada.org to reserve a spot at one of our general information meetings and to pick up your application. Be sure to specify in your email which meeting location you prefer: London or Mississauga. Meeting locations & dates will follow.

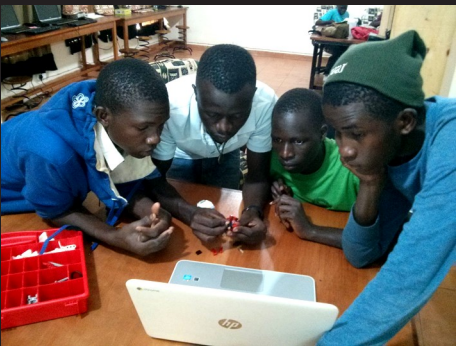

JUST CAUSE is a grassroots Canadian not-for-profit organization aimed at improving the quality of life in developing nations by focusing on education

VOLUNTEERS

Just Cause has been taking volunteers aged 18-68 to Uganda since 2012. Volunteers experience local customs and traditions in Uganda, as well as participating in improvement projects and facilitating workshops at educational facilities.

WE NEED ALL KINDS OF SKILL SETS!
